## **First Access Music Programme** **Instrument Loan 2017/18**

Dear Parents & Carers,

We have a very special project in our class that gives children the opportunity to learn to play an instrument for a whole school year. As part of this programme, they have been given a ukulele each. The instruments belong to the Music Centre and there is no charge for the loan. In order to help speed up their progress, they are asked to take these home to practise. It will be loaned to them until the end of the programme in July, after which it must be returned to school please. The ukuleles are very expensive and we would ask that children look after them very carefully and return them in the same condition in which they are received please. It would be greatly appreciated if parents help ensure the instruments are respected and treated properly.

Children are very excited about the instruments and have been eagerly awaiting a chance to bring them home, but please be aware of the following conditions of use set by the Music Centre;

- Do not allow other children or guests to play the instrument
- Ensure that the ukulele is put away properly after each use, with the case fully fastened.
- Always store away safely to avoid accidental damage / misuse
- Should damage occur, this must be reported and can be charged for

To allow your child to bring their ukulele home, please complete the slip below and return to school as soon as possible.

**After receiving the instrument, please remind children to bring it back each Monday, ready for their next lesson on a Tuesday! Thank you.**

Yours sincerely

*Mrs Shaw*
