Y6 SATs 2018 ***Revision Booster Clubs***

Dear Parents & Carers,

First, a massive thank you for supporting children in their preparation for SATs so far. Their effort and attitude to learning has been fantastic and they are working tremendously hard. However, there are now only 9 teaching weeks to go until the tests! As an extra help for children, we will be opening up the additional out of hours revision 'booster' clubs to every pupil, every day Monday-Thursday. This is an opportunity for them to receive regular, free extra tuition, which will comprise of small group and 1:1 sessions, with all of the academy teaching team, including myself, offering support.

The clubs will be held after school each day, **Monday to Thursday, 2.50p.m - 3.50p.m**, beginning next **Monday, 5th March** and run until after the Easter break. The final session will take place **Thursday, 11th May**.

In essence, this means that the academy day will be extended for an extra hour, for all of our Y6 pupils.

As with our previous clubs, rather than simply be general revision sessions, they will be targeted to address the specific needs & 'gaps in learning' your child may have. Ongoing marking, assessment & question level analysis of children's work by the Y6 team will identify the focus of each daily booster group. For example, some sessions may focus specifically on areas such as simplifying fractions in Maths, calculating the area of compound shapes or inference of English texts, use of complex sentences in writing etc.

We strongly recommend that you take up the offer of these daily clubs and ensure that that your child attends every day please. In order to enable them to take part, please complete the slip below to agree to support your child in their SATs preparation and give permission for them to join the daily booster clubs. *It would be great if all slips were returned by this Friday please, so we can get cracking next week!*

Further to our previous communication, rather than there be a cost to parents, we have now already purchased and given your child a FREE revision workbook each. Should you have any queries regarding the sessions or SATs preparation in general, please get in touch with a member of the Y6 team, Assistant Head Mrs Wright, or myself.

Our thanks in advance of your support!

Yours sincerely,

Mr P. Rust
