

**Y6 Kelham Island Visit - 21/11/17**  
**Wartime Outfit Ideas!**

To help create atmosphere and add enjoyment to our visit, we would like to encourage children to dress in wartime clothing on the day if possible please! There will also be a second opportunity to wear these outfits during our celebration event at the end of the topic. Wartime dress need not be an expensive enterprise and can be achieved with just a little imagination...

Costume ideas:

- Plain black, grey, navy blue or brown trousers (school trousers are fine!)
- Plain black , grey, navy blue or brown skirt or pinafore dress (school skirts are fine too!)
- Plain button-up shirt or blouse - a white school shirt is fine, but no polo-shirts please
- Plain tank top, jumper or cardigan - even better if knitted (or looks knitted!)
- Long socks
- Plain black or brown shoes - school shoes are perfect but no trainers please
- Old style cap or beret

Please note that we will be making replica gasmask boxes and evacuee tags at school to complete the look!

We look forward to a great educational experience and a fun day of learning!
